VALLEY VIEW CASINO & HOTEL UNVEILS MAIN CASINO AND HIGH LIMIT EXPANSION

VALLEY CENTER, CA – May 13, 2016 –Valley View Casino & Hotel has taken their already exceptional gaming experience up another notch with the unveiling of a Main Casino and High Limit Expansion, giving guests even more space for playing and winning, and solidifying their reputation as San Diego's Favorite® casino. The recently concluded renovations include an expanded, more spacious Main Casino, a sophisticated, well-appointed High Limit Slot Area, a new slot tournament area, additional amenities and more.

“Our goal at Valley View Casino & Hotel is to always offer our guests the best experience possible during each and every visit,” said Bruce Howard, General Manager at Valley View Casino & Hotel. “Our Main Casino and High Limit Expansion was the result of listening to our guests requesting more of what they love – great gaming and even more excitement in a more spacious, comfortable environment. We are looking forward to having our guests enjoy the new look and feel of their casino.”

The expansion, which began in April and was completed without interrupting the outstanding experience that guests have come to expect at Valley View Casino & Hotel, started with increasing the size of the Main Casino. The result is a more spacious casino from the moment guests enter the door, with a larger section of the latest and greatest slot machines including additional games in every denomination, an additional table games pit and a reimagined bar area. At the new Video Poker Bar, which includes gaming fun for all guests whether they prefer a smoking or non-smoking environment, guests can enjoy their favorite cocktails, refreshments or fresh coffee while playing some of their favorite video poker and video keno games.

“Our seven-week expansion went incredibly smoothly and finished right on time thanks to our partners from Swinerton Builders and Baker Electric, plus the tremendous dedication of many of our own Team Members who worked tirelessly on the project,” said Joe Navarro, Chief Executive Officer of the San Pasqual Casino Development Group, Inc. “We are all very proud of the results and we hope our guests feel the same way.”

For gamers who prefer a more upscale experience, the new High Limit Slot Area is sure to take their gaming experience to the next level. The High Limit Slot Area has been relocated and features twice as much space than the former area and now includes over 160 games in denominations of \$.25, \$1, \$5, \$10 and \$25, along with a private entrance into the VIP Lounge. Valley View Casino & Hotel is also offering some convenient amenities in the High Limit Slot Area including warm towel service, gourmet chocolates and snacks, complimentary lighters and more for VIP Players Club members.

In the separate Non-Smoking Casino, guests will find more thrills in the newly-dedicated slot tournament area. This redesigned tournament area features 30 special machines for Valley View Casino's weekly slot tournaments. Qualified guests can play in tournaments every week for a chance to win up to \$6,000 cash and a spot in the finals of the casino's monthly luxury car giveaway. This brings even more fun to the Non-Smoking Casino, which also features well over 500 Certified Loose slot machines to choose from, a dedicated Non-Smoking Players Club, the casino's Promotions and Gift of the Month Areas and more, all in a completely smoke-free environment.
